2024 JEGS Performance Summer Fling Presented by Optima Batteries Pre-Race

Bristol, TN — The Fling Team has arrived at Bristol Dragway to ignite the second half of the Fling Race Series tour with the JEGS Performance Summer Fling presented by Optima Batteries September 3-7.

The first of two Flings to be held at Thunder Valley is bringing three \$50K races Thursday through Saturday, over \$55,000 in racer appreciation giveaways, and a free Laris Motorsports Insurance Racer Appreciation Dinner with live music Friday night. The full 'Fling Experience' will be delivered with a fun, family atmosphere at a professionally-run race including activities for the kids with a bounce house and treasure hunt for toys.

“With it being the fifteenth anniversary of the Flings, we knew our Fall Fling 500K entries would sell out quickly,” said promoter Peter Biondo. “Now the Bristol racers who didn’t make it in the 500K event, can race the Summer Fling at the same track.”

The event fires up with the Law Chevrolet Test and Tune run in conjunction with the Race Tech 32-Car Shootout Tuesday afternoon. Advanced Product Design Wednesday will be a \$15,000-to-win warm-up day, with ATI Performance \$50K Thursday, Fuel Tech \$50K Friday, and Silver State Refrigeration \$50K Saturday to follow.

Race fans can tune in starting on Tuesday for the Race Tech 32-Car Shootout at 2p.m. EST. Everything will be streamed live from @RaceTheFlings on YouTube where our in-house camera crew is slated to deliver another high-quality broadcast with live timing, starting line camera, exclusive interviews, and more courtesy of Strange Engineering.
