2024 RAD Torque Systems Fall Fling 500K Presented by Optima Batteries Pre-Race

Bristol, TN — The highly anticipated RAD Torque Systems 15th Anniversary Fall Fling 500K presented by OPTIMA Batteries at Bristol Dragway will celebrate a decade and a half of support from racers all over the country with the richest paying purse of the Fling season at half of a million dollars on Friday.

Racer appreciation prizes and activities will be bigger and better than ever with the Premier Moving Fling Kids Fun Zone & Treasure Hunt, free coffee and donuts Thursday through Saturday, a mechanical bull, axe throwing, and Laris Motorsports Insurance Racer Party with live music from Trainwreck Country Band and fresh smoked barbeque Friday night. Over \$62,000 in cash and products will be given away from the prize vault for perfect lights, dead-on runs, best winning (and best losing) packages, and more.

Rob's Automotive Tuesday will host a test and tune, 32-Car Shootout, and two time run sessions for all racers on property weather-permitting. Advanced Product Design Wednesday, ATI Performance Products Thursday, and JEGS Performance Saturday will each pay \$50,000-to-win, while Moser Engineering presents Friday's guaranteed \$500,000 main event.

Friends and family can get a front row seat to the full Fling experience from home on our YouTube channel [@RaceTheFlings](#) where our in-house production team will deliver unforgettable coverage enhanced with live timing, sweeping camera angles, and exclusive content courtesy of JEGS Performance and Mickey Thompson.

For more information, visit www.BracketRaces.com, the [Spring Fling Bracket Races Facebook](#) page, watch live [@RaceTheFlings on YouTube](#), or text the word 500K to (347) 974-7007 for race updates.
